Taunton High School Wrestling
The Taunton High School Wrestling team is a varsity level sport that is played in the winter season from Thanksgiving Break to the 2nd Week of March. The team has both small and big guys and is a great sport for anyone to try. The team consists of wrestlers with no experience to many years of experience on both the Varsity and JV squad. The team is not a cut sport and encourages everyone to try it at least once.

To get kids a heads up before the season or to try out wrestling below is a list of clubs where current and former wrestlers from the team go out to train. All clubs below are great places to learn the basics before joining the team and have qualified coaches.
